

THE CRUX

THE CRUX Life brings challenges that put us to the test. Some thrive on a challenge, and others turn to avoid it like a plague. If you like a challenge, then this camp is right for you. This camp will have a strong element of competition, and we encourage you to rally your friends to face this challenge with you. If you are the victor, you will have the bragging rights of a coveted prize. If you have enjoyed Extreme Camp or The Edge, you need to consider The Crux. Your faith in God will be challenged to move across the crux.
